

## “Tidy up my thesis folder.”

*Planner emits four proposed calls; the Policy Engine classifies each*

1 `list_dir(/Projects/Thesis)`

T0

auto

2 `read_metadata(*.pdf, *.docx)`

T0

auto

3 `create_dir(/Projects/Thesis/Drafts)`

T1

gated

4 `move_files(12 files → /Drafts)`

T1

gated

### APPROVAL REQUIRED

|           |                                |
|-----------|--------------------------------|
| Workspace | /Projects/Thesis (granted)     |
| Operation | create 1 folder, move 12 files |
| Risk      | T1, reversible                 |
| Undo      | available for 30 days          |
| Outside   | nothing outside the workspace  |
| Egress    | none                           |
